

Melonie is an award-winning songwriter, worship leader, author, speaker, and teacher with a passion to reach out to every broken, wounded and hopeless woman.

Surrounded by music her whole life, it wasn't until a few years ago Melonie found her voice. After coming out of countless devastating situations, including abandonment, abuse and divorce, she discovered an overwhelming desire to tell her story through song and testimony. As she emptied herself before God, He began restoring her **hope**; and that **hope** is the underlying theme of most every song and story she now pens.

She remains amazed at the beautiful song of grace that God has turned her life into. Years of bad decisions and relentless whirlwinds of hopelessness had sent her in search of solace. She found that solace in Christ. And from the moment she met Him, her heart was forever changed and joined with His.

It is her life's mission to share that **hope** with every woman. Whether she's writing, speaking or singing, through every word her message is the same, ***"Hope does not disappoint, because the love of God has been poured out within our hearts through the Holy Spirit who was given to us."* Romans 5:5.** She has learned to place all of her **hope** in Christ alone. Nothing in this world compares to the joy she has found in Him!
